and I noticed that the male black adult appeared to be eating Taco bell food. We advised Rodriguez that we were unable to advise the subjects for trespassing if the Taco Bell staff served them food. Rodriguez was receptive and requested that my partner and I make contact with both subjects and request to them that they leave after they finish their meals. My partner and I made contact with both subjects and advised them that the Taco Bell staff is requesting that they leave after they finish their meals. The male black subject stated, "This is racist. I just got here." I advised the M/B/S that we were only requesting, not demanding. The M/B/A stated that he wanted to make a complaint based on racism. My partner SGT. Nam advised the M/B/A that he was a SGT. and gave him an Andrews International business card with his name and badge number on it. Both subjects exited the business and left without incident.

SGT. Nam advised Assistant Director of the above incident.
